In light of the recent concerns with Covid-19 Coronavirus, the suggestions to maintain social distancing, and the need to limit community spread, we are mandating the following:

For the time being and until further notice, we are open by appointment only please submit necessary business items via mail, email or in the mailbox here at the municipal building. Permits and other information can be found online our webpage.

This is an effort to help minimize the effects of this virus outbreak. There is much uncertainty regarding how long it will last and what the effects will ultimately be. What is being suggested is to limit potential exposure and, therefore, public interaction unless it is specifically warranted. Our Office will remain open and here to serve you and the residents of Damascus Township. We ask that you utilize email, traditional mail and the telephone as much as it is possible in lieu of face to face public interaction. We feel it is important to not only support each other, but also maintain recommended protocols to keep us all as safe as possible.

Thank you for your cooperation.
