2022 Season

We welcome all to another season of activities and events at The Damascus Township Historical Society in Damascus, PA.

The society over the years stays busy organizing what we have in our archive building as well as adding new items to the collection. Due to the efforts of our members we have collected a large array of artifacts as well as documented information about the history of local and surrounding areas. On display are items such as Native American field points, fossils from the Delaware Region, dated exquisite clothing, tools of the Industrial age, volumes on genealogy of local families and many more very interesting items. We also have a large collection of old pictures, Damascus High School yearbooks; copies of the school newspaper, The Legend and pictures and information of local one room schools.

Come in on a Saturday this summer and visit our little museum to browse as well as visit with our member in charge. You may be surprised at the knowledge they have to offer.

Enclosed is a calendar of events and meetings for you to mark on your calendar along with a membership form to fill out for this year's membership. Join us in preserving local history.

All are welcome to our seasonal meetings, held on the 4th Tuesday every month at 7pm in the Damascus Township Community Hall, 60 Conklin Hill RD, Damascus, PA 18415.

The Archive Building located on Route 371 next to the Damascus School is open Saturdays from June 11 through October 15, 2022 from 1PM-4PM. Come visit us for an informative afternoon.

Yours in History;
